Subject: Echo Canyon Petition for Incorporation Determination Notice

Dear Mr. Craig Weston,

On March 20, 2025, The Office of the Lieutenant Governor (OLG) received a Petition for Incorporation (the "Petition") for the creation of a preliminary municipality known as Echo Canyon located in Grand County. Utah Code §10-2a-508(1) requires the OLG to review the Petition and determine compliance with Utah Code §10-2a-507 within 45 days. After review, the OLG has determined that the Petition does not comply with Utah Code §10-2a-507 and is accordingly rejected.

As required by Utah Code §10-2a-508(1)(b)(ii), the reason for rejection is provided below:

1. Utah Code §10-2a-507(1)(b) requires each petition for incorporation of a proposed preliminary municipality to describe "the proposed preliminary municipality area, **as described in the feasibility request or the modified feasibility request.**" However, in the petition related to Echo Canyon, the descriptions of the *Project Boundary Legal Description* and the *Phase I Boundary Legal Description* included in the Petition's plat map are different from those described in the initial feasibility request filed on May 1, 2024. **Utah Code §10-2a-507(1)(b) requires that the description(s) in the Petition must match the legal descriptions stated in the initial request for feasibility study. Accordingly, the Petition does not comply with Utah Code §10-2a-507(1)(b), and is therefore rejected.**

In accordance with Utah Code §10-2a-508(2), sponsors may modify the Petition to correct the deficiencies and re-file with the OLG by **June 4, 2025, at 11:59 P.M., (30 days after the day on which the OLG notified the primary sponsor contact of the rejection)**. If you do not submit a modified petition to the OLG by June 4, 2025, at 11:59 P.M., or if the modified petition does not comply with Utah Code §10-2a-507, the incorporation process cannot proceed.
