

Request For Exclusion From Proposed Boundaries of River View

Pursuant to UCA 10-2a-204.5, if you wish to exclude all or part of your property from the proposed incorporation boundaries, you may file a written request within 30 calendar days after the first public hearing. To file your exclusion request, please mail or deliver the completed form back to the Office of the Wasatch County Clerk for review. If more than one person owns the property, please ensure all owners or legal representatives sign the exclusion request form.

Please note that submitting this form does not guarantee the exclusion of your parcel(s). The following criteria will make a property ineligible for exclusion:

- a) The requestor is not a “specified landowner” as defined in UCA 10-2a-204.5(1)(b); or
- b) The exclusion will leave an unincorporated island within the proposed municipality (UCA 10-2a-204.5(3)(a)); and
- c) The property receives from the county a majority of currently provided municipal services.
