Coal Creek (formerly Riddermark) Incorporation Sixth Request for Feasibility Study Determination

Dear Mr. Atkin and Anderson,

On November 4, the Utah Population Committee (UPC) determined that the Modified Request for Feasibility Study (Modified Request) filed on October 29, 2025, does not comply with the contiguity requirements described in Utah Code §10-2a-201.5. According to Utah Code §10-2a-204(2)(a), the Office of the Lieutenant Governor (OLG) has rejected the Modified Request for the proposed Coal Creek (formerly Riddermark) Incorporation.

In accordance with Utah Code §10-2a-204(4), sponsors may, subject to Utah Code §10-2a-206, amend the Modified Request to correct the deficiencies and re-file with the OLG by **February 19, 2026, at 11:59 P.M., 90 days after the day on which the OLG rejected the Modified Request.** If you do not submit an amended Modified Request for Feasibility Study to the OLG by February 19, 2026, at 11:59 P.M., or the amended Modified Feasibility Study request does not comply with Utah Code §10-2a-202, the incorporation process cannot proceed.
