

Request For Exclusion From Proposed Boundaries of Spring Lake

Pursuant to UCA 10-2a-207(5), if you wish to exclude all or part of your property from the proposed incorporation boundaries, you may submit a written request within 30 calendar days after the first public hearing. To submit your exclusion request, please mail the completed form back to the Office of The Lieutenant Governor for review. If more than one person owns the property, please ensure all owners sign the exclusion request form.

Please note that submitting this form does not guarantee the exclusion of your parcel(s). The following criteria will make a property ineligible for exclusion (10-2a-207(5))

- a) The exclusion will leave an unincorporated island within the proposed municipality; and
- b) The property received from the county a majority of currently provided municipal services.
