

INCORPORATION PETITION FOR A PROPOSED MUNICIPALITY, TO INCLUDE SOME OF THE CURRENTLY UNINCORPORATED AREAS OF WEBER COUNTY, TO BE KNOWN AS OGDEN VALLEY

To the Honorable Lieutenant Governor: We, the undersigned (signing on the attached pages) are registered voters and/or property owners within the area described in this Incorporation Petition, and respectfully petition the lieutenant governor and the county legislative body to submit to the registered voters residing within the area described in this Incorporation Petition, at the next regular general election (or next election allowed by law), the question of whether the area should be incorporated as a municipality. Each of the undersigned affirms that each has personally signed this Incorporation Petition and is a registered voter who resides within the described area and/or property owner, and that the current residence address of each is correctly written after the signer's name. The area proposed to be incorporated as a municipality is described in the boundary map and legal description in the attached pages. The proposed name for the municipality is Ogden Valley City.

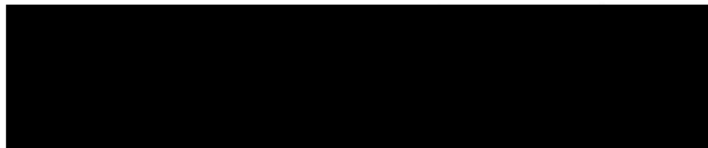

NOTICE TO PETITION SIGNERS: A SIGNATURE ON THIS PETITION, UNLESS THE SIGNER FILES A WRITTEN WITHDRAWAL PURSUANT TO UTAH LAW, WILL BE USED FOR THIS PETITION AND ANY SUBSEQUENT PETITION.

As required by Utah Code Section 10-2a-208(1)(d), six of the signers of this Incorporation Petition (same as on the original Feasibility Petition) are designated as "Sponsors", with the first designated Sponsor to serve as the "Contact Sponsor." If only five Sponsors are allowed, the Contact Sponsor shall designate one of the Sponsors as an "Alternate Sponsor" instead of as a Sponsor. The signers of this Incorporation Petition appoint the Sponsors, if the incorporation measure passes, to represent the signers in:

- (1) drawing district boundaries for the election of council members, if the voters decide to elect council members by district, and
- (2) fulfilling any other applicable responsibilities set forth in Utah Code Section 10-2a-208(1)(e) or other applicable sections.
